Thank you so much for all you have done for us this week. The schedule will work fine for us. It was a pleasure meeting Angela and I do appreciate her caring attitude toward my mom and feel she is going to do a great job. Her assistance will allow me to have more quality time to spend with my mom and that is a true blessing!

The unassigned means I **cannot** cover that shift.

It was short notice, but I do pride myself on being flexible. Almost any other week I could have covered these shifts, but as explained:

First Angela's sitter is working at Biketober fest, instead of sitting.

Second Leila's son is deploying to Iraq on Sunday, so she wishes to spend as much time with him as possible.

Both of the situations will be resolved Monday.
